## Old/Unfinished Business:

### Oxford Green Space Farm Stand

Information was received from the Farm Bureau regarding restrictions of what can be sold. No dairy, meat, fish, or cheese. Soap, honey, syrup, fiber, and vegetables are all acceptable.

Discussion on restriction commercial enterprises from the farm stand because of additional restrictions.

Need to compile a list of interested groups and local growers to determine the approximate number of participants

Discussion followed

### Childrens Garden @ Great Oak School

Project was discussed with the intention of converting the retired tennis courts into a school garden. A meeting with Lisa Lenskold who setup the Norwalk school gardening program is set for the following Tuesday.

George Temple has verbally agreed to grant us the location for farm space
