New Business

1. **Approve Funding for an Armed Security Officer program to be Transferred to the Board of Education.**

MOTION:

Selectman Scott Flaherty moved to approve the funding in an amount not to exceed \$70,000.00 to be taken from the General Fund Balance and to transfer said funds to the Board of Education for an Armed Security Officer (ASO) . This matter will be forwarded to the Board of Finance. This was seconded by First Selectman George Temple. All 2 Ayes. Motion carries.

Discussion: Selectman Scott Flaherty, asked if the Board of Selectman should be giving the money to the Board of Education before the ASO policy is approved? First Selectman George Temple stated, " yes they can't spend it for anything else. We need to get the people in place. If we don't have the funding there, the BOE will come to us and say their policy is ready and now can't move forward because we have to wait for the funding from the BOS. Then it will be February before anything gets done." If we get an ASO, then its only three more the Board of Education will have to hire. Selectman Scott Flaherty, asked why the dollar amount was set at \$70,000.00? George Temple explained, that the funding is not to exceed \$70,000.00 and is only an estimate. George also stated that he would write a letter to the BOE and explain this.
