LPC Business

Conner Burke introduced herself as an Americare worker. Discussion was had about Conner helping out with our website.

Sue Blasavich was introduced sharing about a new Smart Recovery Group starting up in Oxford in 2022

Richard and Carroll Siddell were introduced. Carroll and Richard currently trained facilitators for Smart Recovery. They offered their support for Sue in Oxford. Sue's group will focus on families or individuals that love someone in addiction. Vinny encouraged anyone in the group to recommend possible meeting places and offered to reach out to two contacts he has.

Discussion Centered around an upcoming Freshman Forum, possibly in Feb 2022. Dr. Browne made us aware of what dates are best for him. Particularly on a Thursday. Vinny mentioned a nice outline Christine Marin made for the forum. Christine mentioned that this time around would be a proving ground we can fine tune for the new Freshman Class next fall. The 24th of Feb was decided as a good day.

Heather Ferrillo brought up Hidden in Plain Sight. Vinny explained that Laurie McFarland can no longer do them for us. Heather also mentioned. Heather suggested that we hand out testing kits on the night of the Frfreshman Forum as well.

Madeline mentioned an alternative to Hidden in Plain Sight Presenter Randi and Christine will get back to us with a date. Heather suggested speaking with Dr. Miller. Heather was going to try to download a copy of the survey for Dr. Miller to see. Vinny suggested he and heather reach out to Dr. Miller
Heather asked Randi and Christine if the schools needed Narcan. Christine mentioned they need test kits.

Vinny asked Madeline if she had any current updates about overdoses in Oxford, she did not.

Vinny introduced Heather Ferrillo to talk about the Survey

Sue B and Madeline talked about one of the local Frie houses for her meeting

- Vinny made motion to return to OAISIS
