Audience of Citizens

Colleen Lundgren of the Women's Softball League was present to discuss allowing Southbury residents to play in the league. Mrs. Lundgren explained that the league can have up to 17 teams, but only 5 teams. The league was approached by Southbury players about joining Oxford's league or combining the two towns. No additional field time would be needed. Players from Seymour and Beacon Falls are already allowed to play in the league. Each team is allowed to have up to 4 non-resident players. Players pay \$30 and each team has a sponsor. The league is self-sustaining. Mrs. Lundgren said the members probably would not want to combine with Southbury, but if they did, Southbury would be asked to provide field time.
