Bob DeBisshop 234 Chestnut Tree Hill Rd moved, Seconded.

Item 2: Shall the Town of Oxford approve the Town's Board of Education Annual Budget for Fiscal Year 2014-2015?

Discussion:

Stephen Brown & Bonnie lane complimented the BOF for letting the original amount go to referendum; he further commented that this \$500,000 cut was excessive and that the town can fund other projects such as ball fields and paying cash for vehicles. This cut will put the BOE in the red. He urged voters to support the budget because we need to fund our schools regardless.

First Selectman George Temple commented that he supported the first budget, but we have to listen to the 13,500 bosses out there. He further commented you don't always get everything you want, it was a good job put out by all.

Jennifer Florin 3 Jem Woods Rd commented that all day kindergarten became a political issue and she was shocked by the \$500,000 cut and how little this town cares for education. This cut will put us behind on technology and everything. I don't even know if I will send my child to school in Oxford.

Jack Kiley, Board of Finance Chairman, commented that we listened to the people, we sent it out to vote and the people said no. You had the opportunity to get this budget passed. Last year there was a \$650,000 increase, teacher's health insurance is going down, and there will be \$100,000 in new medical savings. The grand list is not rising, we have to put a budget out there we can afford and that has a chance of passing.

Stephen Brown commented that the majority of people didn't vote.

There being no other comments or questions the moderator called for a vote.

Motion carried: Unanimous

First Selectman George Temple moved to recess to Referendum on June 3, 2014 from 6:00AM to 8:00PM at Quaker Farms School, seconded.

Motion Carried: Unanimous

Respectfully submitted,

Margaret A West
