Oxford Conservation Commission / Inland Wetlands Agency

REGULAR MEETING MINUTES

Tuesday, October 22, 2019

The **Regular Meeting** of the Oxford Conservation Commission/Inland Wetlands Agency was held in the Main Meeting Room of the S.B. Church Memorial Town Hall on Tuesday, October 22, 2019.

Meeting was called to order at 7:30 P.M. by Acting Chairman Susan Purcella Gibbons

AMENDEMENT TO AGENDA:

EXECUTIVE SESSION:

NEW BUSINESS:

(IW 19-92) Prospect Pools, LLC, 9 Apple Drive, proposed in-ground pool, fee paid \$130.00.

The owner of Prospect Pools explained the plan has a 12 foot slope and there will be a 4 ft patio wall and down 14 inches from the basement wall. Clean fill will be brought in to go around the pool. The pool size is 36' by 27'

The Chairman wanted to pool brought closer to the home away from the upland review area.

The owner agreed.

MOTION made by **Commissioner Ethan Stewart** and seconded by **Commissioner Mike Herde** to approve (IW 19-92) Prospect Pools, LLC, 9 Apple Drive, proposed in-ground pool.
All in favor 3-0.

Discussion with Mr. Goldwitz on 226 Freeman Road and his modifications per the commission for his residential property.

Chairman Mike Herde asked about any grade changes.

Mr. Goldwitz replied: No.

The Chairman explained that even a 12 foot elevation, during construction can cause problems and a regular silt fence will not hold during a rain storm so let the engineer know that the water is concentrated at one point. Maybe check dams and retention pond and look into a filtration system. Also check on a dry well system.

Mr. Goldwitz wrote down the advice and will speak to his engineer and come back to the next meeting.
