Site Inspections

Chairman Weymer stated that a site inspection of Quaker Farms Firehouse will be conducted at the August meeting. That same day we can also conduct a follow-up inspection of Jackson's Cove. Then in September we can schedule follow-up inspections for the Police Department and Oxford Ambulance. Animal Control Officer Jason McLain is in the process of cleaning and organizing the Animal Shelter. Chairman Weymer spoke with Mr. McLain and explained the results of our site inspection. Mr. McLain will contact Chairman Weymer when the shelter is ready for a follow-up inspection.

Chairman Weymer explained that the Administration has taken care of a few of the committee's recommendations: A chain and sign blocking the downstairs stairwell and the yellow painting of the pathway's curbing.
