

Notice to the Public:

Please be advised that the Town of Oxford is proposing a new sidewalk and nature trail in the Little River Nature Preserve called the South Sidewalk Expansion Project. The proposed project includes construction of a 10' wide sidewalk along the southern side of RT 67. The sidewalk starts at the Oxford Town Hall and terminates at the intersection of RT 67 and Dutton Road. The work will encompass landscaping, installation of decorative light poles, benches and associated minor grading in the project area. A walking trail in the new Little River Nature Preserve will be included in the scope of work.

If you have any questions regarding the project, please feel free to contact the project engineer, B&B Engineering at bn@bbengrs.com or (203) 881-8145.
