5. Committee/Subcommittee for GOS improvements:

There was a lengthy discussion on whether the Oxford School Building Committee should be the committee, or form a subcommittee, for the

Great Oak School improvements. The pros and cons of all avenues were discussed at great length. First Selectman George Temple stopped by and gave his thoughts on the subject as well as some of the things he wanted to make sure were done when the renovations take place. The committee will look at the extent and cost of the improvements as well as whether an application to the state is feasible before it decides which approach it prefers.

Rich Krueger made a motion to adjourn. The motion was seconded by Kerry Mizak. The motion carried unanimously.
