Audience of Citizens

Joshua Clark, president and other members of the newly elected Little League Board of Directors were present.

Mr. Clark said the board would like to see the league grow to what it had been.
The league has 5 teams with 66 girls. The league plays on Center, Great Oak and Aggie Park fields.

Discussion on the availability of fields and the need for leagues to share them.

Chairman Schumitz explained that an application has been submitted for phase 2 of Aggie Park.
Mr. Schmitz noted originally there were more fields planned for the park, but the cost of levelling made it cost prohibitive.

The little league would like to see Aggie Park be exclusive to them. They have installed a fence for the softball tournament for sponsor banners. The Commission said it would have to be removed, as it is a hindrance to the Men's softball players.
All leagues must share the available playing fields.
