Returned Soldier

The *Returned Soldier* sculpture was  
commissioned by Benjamin Fitch and  
completed in 1867 by Larkin Goldsmith  
Meade, Jr., an American sculptor, classically  
trained in Italy.

The sculpture was placed at the first Veterans  
Home in Darien in 1867 and was cleaned and  
moved in 1985 to its present, prominent  
location as you enter the campus.

## HISTORY

The Connecticut Veterans Home, founded in 1864, was the first home for Veterans in the country. The Home served the needs of thousands of Service members from various wars until 1940 when it was relocated to its current location in Rocky Hill where the support and care for Connecticut Veterans continues.

## RESIDENTIAL FACILITY

The Residential Program provides Veterans with a continuum of rehabilitation services & programs designed to return them to independent living.

Residential Staff assists each Veteran in developing an individualized rehabilitative plan outlining his or her goals and objectives and removing barriers to achieving them.

Following a four month billing grace period, each Veteran admitted to the Residential Facility will be billed at a rate determined by the Department of Veterans Affairs.
