Audience of Citizens – None

Application(s) – None

Old Business

Towner Lane Force Main Update

Mr. Halstead spoke with Mike Heard, enforcement officer for Conservation/ Inland Wetlands Agency, about the Towner Lane project.

Mr. Herde said, the Conservation/Inland Wetlands Commission would consider it a repair and replacement of the existing line. The impact to the wetlands has already been done. The WPCA will submit an application, but no wetlands study will be required.

Discussion on the necessity of a road of approximately 3,000 feet from Town Lane to the Briidel Trail for vehicle access. A base will installed for construction.

There will be a T with three valves for clean out, by-pass and air release. Placement every 1,000 feet with manholes for access.

Report from Staff

Runtime Summary – April 2022

Alarm History for February – April 2022

The plug valve will be installed at the Tower Lane Pump Station.
